ADDENDUM # 4

To: Plan Holders

From: Jeffrey E. Alspaugh, E.I.
Division 14 Proposal Engineer

RE: **EBS and EBS Addenda File Changes**
Contract ID: DN00536
County: Haywood, Jackson, and Swain
Letting Date: October 11, 2016

The above contract has experience an EBS and EBS Addenda File change.

EBS addendum file # 1 contained an error, so it was deleted from the Bid Express System, and a corrected version has been uploaded. As a part of this process, the main EBS file had to be deleted and upload again, but its contents were not changed.

For those bidders who downloaded the EBS file and/or the EBS addendum file, prior to the date stamp of the Bid Express alert, you must delete those old files and upload the new EBS and EBS addendum files, to be sure that everyone gets the proper files.

Should you have questions, please call Jeffrey Alspaugh at 828-586-2141.

Please insert this letter into the addendum section of the proposal and sign the verification. Thank you for your attention to this matter.
